Jayne--

A few comments attached. One change was made is inaccurate (changing "condition" to "management measure").

Also, skimming through, it doesn't look like they have formatted the citations yet so that they all follow the same style. I assume that is still something Tt will be doing?

Hi All,

I looked over the comments made by Penny and made some decisions (see second attachment). The first one is the version we will be circulating to the managerial and legal teams for review.
